

SELF-REFLECTION ON LEARNING

Reflect on both group and individual task work during the STEM PBL. Express your ideas in no more than *three* sentences.

Name (First Last):	
Project Title:	
Describe the project.	
What do you feel is the most important thing you learned so far?	
What part of the project do you wish you had more time for?	
What is the most important thing you think your teacher wanted you to learn?	
Describe what you would like to have done differently.	
What part of the project shows your best work?	
For you, what was the most enjoyable part?	
For you, what was the least enjoyable part?	
List two suggestions for improving the project for next year's class.
